Second Quarter 2024

Marketing Opportunities

To make necessary improvements on the building facilities at CYA Exchange, we are offering a marketing program that allows businesses to sponsor a banner or ad in different areas of the barn, restaurant, and our website. We started with our sale ring and are continuing with the community bulletin board wall, restaurant menu, and website.

Repairs already made include livestock pen repairs, starting to insulate the Endless Treasures room, sale ring wall, and the community bulletin board wall. The next large project scheduled is the front wall of the building. The block wall is in need of repair and the front needs sided. Little by little, we are making the necessary repairs to bring the sale barn back into shape.

Livestock

1:30 p.m. Inside
Check in by 1 p.m.
Cattle, Goats, Hogs, Horses, and Sheep that are ready to go back to your farm or head to a processor

Please share photos of items that you plan to bring to the sale PRIOR to Monday for the best promotion! You can message us on Facebook, email cyaexchange@gmail.com or text Sarah 330-243-1108. Please provide a detailed description of your items.

Pullorum Testing is Back!

Per our ODA Representative, pullorum testing will begin again. All required poultry must have a negative test prior to being sold at CYA Exchange. If you do not have proof of a negative test within 12 months then a rapid whole blood test will be completed prior to you unloading your birds. Cost of the test is \$2/bird that is tested.

Unhealthy or Nonambulatory Livestock

We will not accept any livestock that appears sick. If you are in doubt if the animal is ill, please keep it at your farm and contact your local veterinarian. Once the animal is healthy, we will gladly market it to our buyers.

Livestock that cannot walk off the trailer on their own will be turned away. Staff decisions are final.

Education and Learning Experiences

Throughout 2024 and into 2025 we will be hosting multiple education sessions in conjunction with the Carroll County OSU Extension Office. On April 9th Part 1 of Feeding Cattle for the Consumer will be held at CYA Exchange. Registration starts at 5pm. Part 2 will be held at Sugar Valley Meats on April 23rd.

A fall Beef Quality Assurance class will be held on November 7th at 6pm. For more information and to RSVP, please contact the Extension Office at 330-627-4310.

Is there a topic or class that you would like to see held? We are always open to suggestions!

Topics that have been mentioned are Raising Sheep & Goats (Famacha scoring, grazing, worming, and footrot), Cattle Grading, Feeder Calf Backgrounding, and Livestock Transportation.

Contact the Extension Office 330-627-4310 or Steve Cronebaugh 330-243-6574 with any suggestions.
