www.cyaexchange.com

First Quarter 2024

## Baked Goods, Produce, & Eggs

Are you interested in consigning food items that you made, grew, or collected? Before you bring them to CYA Exchange, please make sure you are properly licensed (if required) and all items are properly labeled. Don't know what is required? Contact your local Health Department or the Ohio Department of Agriculture, Food Safety Division.

Ohio Department  
of Agriculture

ODA's Food Safety Division has a lot of information on their website: <https://agri.ohio.gov/divisions/food-safety> or you can call them at 614-728-6250. Links to labeling requirements can also be found on our website. If in doubt, ask!

Please share photos of items that you plan to bring to the sale PRIOR to Monday for the best promotion! You can message us on Facebook, email [cyaexchange@gmail.com](mailto:cyaexchange@gmail.com) or text Sarah 330-243-1108. Please provide a detailed description of your items.

## Produce

During the summer and fall months, our Endless Treasures sale is overflowing with fresh produce from some of our local farms. As long as they are unprocessed fruits and vegetables, they can be sold at CYA Exchange. We typically start selling produce at 10:30 a.m. We ask that consignors make every attempt to package items uniformly.

## Eggs

CYA Exchange is a registered farm market. Your egg operation, if under 500 poultry, does NOT need to be inspected by ODA or your local health department to sell eggs here. Egg cartons must be in sound condition and free from any visible dirt. All cartons must be labeled with your name, address, quantity, date packed into carton, "graded" or "unclassified", "mixed size", and the Safe Handling Instruction phrase.

# Cottage Foods

A person producing food that is not considered potentially hazardous foods can sell them during our Endless Treasures sale without any special licensing. These foods must be properly labeled per ODA regulations.

Permitted foods: cookies, breads, brownies, cakes, fruit pies, candy, jams, jellies, fruit butters, granola, popcorn, unfilled donuts, snack mixes, dry baking mixes, dry herbs, and more.

Non-permitted foods: acidified or low acid canned foods (beans, cucumbers, cabbage, puddings, etc.) and potentially hazardous food that requires temperature control (raw animal products, cooked vegetables, garlic in oil, cheesecakes, pumpkin pies, custard pies, cream pies, egg noodles, etc.)

Required labeling: name of the food product, net weight (in both pound system and metric system), ingredient list in descending order of weight, name and address, "This Product is Home Produced."

# 2024 Special Emphasis Sales
